We, \_\_\_\_\_, are pleased to endorse the Suffolk Bill of Rights Defense Campaign and its effort to have local governing bodies of Suffolk County, including the Huntington Town Board and the Suffolk Legislature, pass resolutions to uphold the Bill of Rights.

We affirm our strong support for fundamental constitutional rights and our opposition to federal measures that infringe on these rights without enhancing our safety; we affirm our support for immigrant rights; and we oppose discrimination of individuals due to their religion or country of origin.

We call upon our local representatives to stand up for constitutional rights and civil liberties by declaring opposition to unconstitutional provisions of the USA PATRIOT Act and related federal measures, and supporting resolutions in our home community of Suffolk County.

Sincerely,

\_\_\_\_\_
